PENNSYLVANIA

Visit **JOHNSTOWN, PA**
ONLY 60 MILES EAST OF PITTSBURGH!

Visit our lush green hills, rivers, streams and reservoirs; valleys, plateaus and scenic vistas! There's more to Johnstown than just the flood. Our outdoor recreation is immersed with our rich history and heritage - paddle under the infamous **Stone Bridge**, hike through the **Staple Bend Tunnel** which is the first railroad tunnel in the U.S., or bike under the "**World's Steepest Vehicular Inclined Plane.**" There's so much to do!

Feature **ATTRACTIONS**

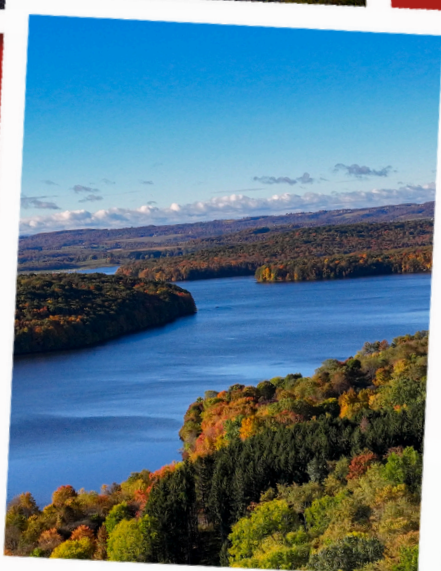

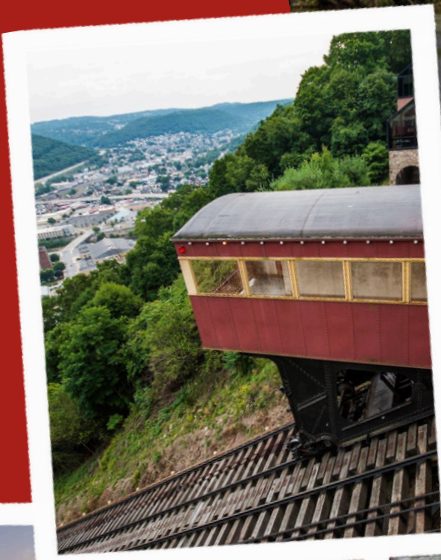

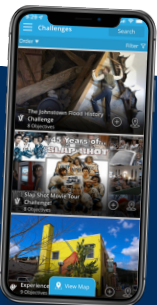

1. **Johnstown Inclined Plane** - The World's Steepest Vehicular
2. **National Parks**
 - Johnstown Flood National Memorial, Allegheny Portage Railroad, and Flight 93 National Memorial
3. **Johnstown Flood Museum** - Academy Award-Winning Film
4. **Ghost Town Trail** (rail-trail) - Named Pennsylvania's 2020 Trail of the Year by DCNR
5. **Rock Run Recreation ATV Park** - Over 140 miles of trails
6. **Coal Tubin' on the Stonycreek River**
7. **Johnstown Heritage Discovery Center**
8. **Spider-Man and Doctor Strange Mural** - The world's first and only Marvel Comics approved public mural
9. **Tour Historic Cambria City**- Johnstown's Cultural District
10. **Gallitzin Tunnels Park and Museum**

Outdoor ADVENTURE

You can paddle whitewater on the Stonycreek River; ride our byways; bicycle country lanes, mountain bike single-track and cycle rail-trails; hike atop our lush ridges; and boat, fish or swim in lakes once owned by steel companies.

- Mountain bike enthusiasts can ride the **Inclined Plane Downhill Mountain Bike Trails** - a thrilling trip to the bottom
- The **Stonycreek River has the longest continuous set of rapids in the eastern U.S.** - 15 Class III-IV rapids in 4 miles
- Bike or hike along **48 miles of The Ghost Town Trail** - a historic 'rails to trails' named **Pennsylvania's 2020 Trail of the Year**

Emerging ARTS AND CULTURE

Cambria City is a cultural, colorful neighborhood filled with murals at every turn. Established in 1853, Cambria City was the true melting pot of immigrants.

Johnstown is home to the world's only Marvel Comics approved public mural!

Rich HISTORY

Johnstown has been most commonly known for its three floods - 1889, 1936, and 1977 - but did you know that Johnstown was also a canal port, a railroad center, and a steelmaking hub?

- Watch the Academy-Award winning film at the **Johnstown Flood Museum**
- The 1889 Flood was the **worst natural disaster of the 19th century**
 - See trains pass through the **Gallitzin Tunnels** - the highest and longest tunnels on the former Pennsylvania Railroad
 - The **Allegheny Portage Railroad** was part of the **Underground Railroad**
 - The first steel rails for the railroad were rolled in **Johnstown's mills**
 - At one time, western Pennsylvania produced nearly **one-quarter of America's coal**
